## Why Mile Marker Industries?

- MMI is an ISO 9001:2015 certified organization and TACOM approved supplier with over 30 years of military fulfillment experience
- Standard and custom built products
- Products assembled in the USA with competitive pricing
- Outstanding customer service satisfaction rate
- Equipped to handle EDI (Electronic Data Interchange) transactions
- Superior quality materials to meet or exceed military standards
- Rigorous testing and quality assurance check-points on all products

## Company Background

Mile Marker Industries has been designing and manufacturing innovative, highly durable products for off-road vehicles and the military for over 30 years. Our patented hydraulic winch is the only approved winch for the U.S. Military's HMMWV (Humvee). Additionally, MMI manufactures and/or assembles recovery kits; mounting systems; hydraulic and electric winches; locking hubs; conversion kits; tow/rigging ropes and straps; snatch blocks and shackles.
